

Adelfia LLC's Managing Director Honored as New Member of "Circle of Empowered Women 2014"

Congratulations to **Stella Marie Santos** for being honored as New Member of Circle of Empowered Women. The Circle of Empowered Women (CEW) is composed of Filipino women in the Midwest who are leaders and nurturers. Formed in 2004 in Chicago during the 6th NaFFAA (National Federation of Filipino American Associations) National Conference, CEW continues to provide enriching experiences to its members.

In March 2014, NaFFAA Illinois joined in celebrating International Women's Month with this year's theme "**Inspiring Change.**" The CEW held a forum followed by an induction dinner of new CEW members on Sunday, March 30, 2014 at the Hilton Hotel O'Hare at 5550 N. River Road, Rosemont, Illinois.

NaFFAA Illinois, a 501C3 nonprofit organization, shares the mandate of the national organization. With chapters all over the United States, NaFFAA strives to promote the welfare of Filipinos and cohesion among Filipino American communities. Because of Stella's exemplary leadership and commitment to women's issues NaFFAA honored her as a new member of CEW.
